Multnomah County Commissioners:

On behalf of the Latino Network, I am pleased to support for the James Beard Public Market's application to secure the Morrison Bridgehead property and develop a public market for Portland.

One of the cornerstones of Latino Network's work is to promote learning and understanding among Portland's different communities. We are excited to learn of the Market's vision of bringing together Portland's rich and diverse culinary heritage and creating year-round opportunities for vendors and market goers of all backgrounds, and look forward to connecting Market organizers with our community entrepreneurs while revitalizing this underused property in our downtown.

Thank you in advance for your consideration of this proposal.

Sincerely,

Carmen Rubio
Executive Director
